**Safeplast | Pig's Tail™**  
provide more solutions, capabilities  
and expertise

Caplugs has brought together Safeplast and Pig's Tail, two of the industry's strongest names in hose protection. As one team, we now offer more standard and custom product options as well as extended molding capabilities to keep your hoses – and the workers who use them – safe.

- More Extrusion Capabilities
- Broader Selection of Standard Products
- Full Range of Specialty Wrap Products
- Array of Complementary Products
- Availability of Cartons, Pre-Cut and Custom Lengths
- Larger Team of In-House Design Engineers
- Exceptional Service Team of Experts
- Comprehensive Custom Capabilities
